Superintendent Report

(See Attachment)

The Sports Agreement has been sent to the Softball Association.

The "Get Out and Walk" program had 31 teams sign up.

The "Summer Recreation" program has been scaled back due to loss of funding from Deer Creek Township, which has funded the program for 40 years.

Part of Riley Annex has been reseeded.

A new mower is on order from Bobcat in Lafayette.

A complaint was sent to IDEM concerning the bathroom septic systems in the parks.

New Business

"Mayor Strasser has sent a letter to the Carroll County Health department asking for direction on the Septic systems in Riley and Riley annex. The Sewage department has agreed to pump the systems weekly during the busy summer season and during extended rains and possible flooding."

A request was made by the Delphi Police Department to block off Riley Park to vehicles during the "Bike Rodeo". Lorraine made a motion to accept and Carla seconded the motion. The motion was accepted.

A request by the Education Foundation to use the Riley Park basketball courts during Old Settlers was made. Lorraine motioned to accept and Gretchen seconded the motion. The motion was accepted.
