Superintendent Report

The Sports Agreement has been sent to the city lawyer for approval.

The "Get Out and Walk" program will be for 6 weeks. Sign up will be on April 9th from 10:00 to 1:00 at Riley Cabin.

The "Summer Recreation" program will include 3 weeks of open recreation every day, two days a week craft classes will also be offered and a Ride the Trails day is planned. Because of low participation and rising costs gymnastics, tennis and golf will not be offered this year. The Police department will run a "Bicycle Rodeo" with help from the Kiwanis and Parks department.

Anita attended a seminar on building a bike friendly city based on the book "Joyride" by Mia Burke.

A request was received to have call boxes placed in the parks.

Chuck and crew accomplished many projects including reseeding the Riley Annex field, cleaning playgrounds and flower beds, trimming branches and cleaning the cemetery.

Two bids were received to replace one of the mowers.

New Business

Dr. Tom Brodar, a Deer Creek Township board member, brought to our attention that funding may not be granted because of the need for "contracts" for services paid for by the Deer Creek Township. Anita will look into putting together some type of a contract, so that we can get money for the programs that the Deer Creek Board approved last fall.

Emergency Call Boxes being placed at the various parks was discussed.

A request was made for a July wedding at Riley park. Gretchen made a motion to accept the request and Carla seconded the motion. The motion was approved.

Next Parks Board meeting
