CITY of DELPHI
Superintendent's Report

201 South Union Street
Delphi, Indiana 46923

- Chuck Maxwell cut down 2 trees and trimmed several others in Riley Park. He cut up and hauled away the tree in the Baum-Robinson cemetery on Riley road.
- The parasitoids were released in Riley and the annex. Trees have red rings and identification tags.
- The Softball Tourny July 14-17th went well. Just a few issues to discuss with the softball league.
- Lorraine and I hashed out a Budget last week and then I went to Chuck to ask what he would be willing to cut to get a new truck. We came up with several cuts that brought the bottom line to below last years budget. City Council member Hannah Germond met with me last night and she thought everything looked good. Budget has to be in mayor Strasser's office before Friday. I meet with City Council on Aug 3rd to discuss what we approve today.
- Bill Marion just contacted me yesterday about the Dog Frisbee contest on August 13th during Old Settlers. He wants to use the park. I told him I would send letters out and did today. I also informed him that I was not happy with him waiting so late. It is my recommendation that we stop sponsoring the dog Frisbee contest because we no longer have extra money in the budget.
