The City of Delphi provides five parks for the enjoyment of residents and visitors: City Park, Overlook Park, Riley Park, Riley Park Annex, and Trailhead Park. Together these parks offer sports facilities for basketball, tennis, baseball/softball, volleyball and soccer. Most of the parks offer picnic tables, a picnic shelter, and playground equipment. There are many paths and trails through out the parks system that are suitable for walking, bicycling or enjoying nature or the history of the area.
