- [Application](#)

- A groundbreaking ceremony for the Owner Occupied Housing program is scheduled for April 23, 2013 at the corner of Wabash and Front Streets.

- A public open house for Phase 1 of the Washington Street Gateway Trail project will be held on May 15, 2013 at 6:00 pm in the Canal Center. [Click here for a map of the Washington Street Trail project area](#)

- Planning work continues for the Facades Restoration projects. Architects are currently working with building and business owners on recommended building improvements. A final improvement master plan will be completed later this summer.

- Detailed design work for the Delphi Opera House project continues with design expected to be completed late this year.

- Investigation into the ownership of downtown lots for potential parking improvements is underway. A meeting with affected property owners will be held later this spring to discuss options and ideas.
