

{loadposition tmis} **Stellar Communities February, 2013**

- Bidding for work on Phase 1 of the Owner Occupied Housing program will begin this month with bid opening expected during the first week of February.
- A public hearing for the Downtown Facade Restoration project was held on January 8, 2013. [Click here](#) for a map of the downtown facades project area, and here for the [FAQ page](#).
- Survey work has begun for the Washington Street Trail and Downtown Streetscape projects. VS Engineering will be in town through the end of March collecting data and information which will be used in the design of these two projects.
- Design work has started on Phase 1 of the Washington Street Trail. Phase 1 will begin north of the railroad tracks on Washington Street and will continue to Adams Street. A public hearing for the trail will occur in the spring.
- The design of the Opera House Project is now underway.
