§ 52.55(B) Effective January 1, 2022, until February 28, 2022, Class II users shall be subject to the following limits and requirements, which are established to prevent pass-through and interference, and apply at the point where the wastewater is discharged to the POTW:

This ordinance shall be in full force and effect immediately upon its passage and approval by the Mayor. Previous ordinances in conflict therewith are hereby revoked.

Passed and adopted by the Common Council of the City of Delphi, Indiana, this 25th day of January, 2022.

¹ Monthly average shall be determined based upon the average of a calendar month. The monthly average shall be determined by the summation of the calculated daily value divided by the number of days during the calendar month when measurements were taken.

² Weekly maximum shall be determined based upon the highest average of a calendar week for which daily discharges are sampled or measured. The weekly average shall be determined by the summation of the calculated daily value divided by the number of days during the calendar week when measurements were taken.

Passage by a Majority of the Common Council:
