

BOARD OF WORKS AND PUBLIC SAFETY  
PUBLIC HEARING  
APRIL 25, 2019  
9:00 A.M.

Karyl Traeger, Dick Bradshaw and Mayor Evans were present for the meeting.

Mayor Evans called the meeting to order and opened the Public Hearing.

Mayor Evans introduced Emily Gross of KIRPC and she explained the water grant the City is seeking will total \$643,404.81 with the City's share being \$128,680.96. The City's share would be paid out of the SRF loan.

Three storage tanks will be rehabilitated. This includes Hill Top, Deer Creek and the ground tank on Armory.

The proposals are due on May 3<sup>rd</sup> and full application will be submitted by June 28<sup>th</sup>. There will be another public hearing before submission and a survey for comments will help reflect the need.

Easements will be needed and it is necessary to follow federal acquisition.

This is a part of Phase II and it is possible to be working on Phase I and Phase II at the same time.

We could know by August if we receive the grant and we would have 18 months from notice of award to get project done.

The new storage tank (Phase II) could be started in the spring of 2020. Dick Bradshaw questioned Craig Myers if this was going to work and Craig expressed his worry that everything would have to go really well.

Karyl Traeger made the motion to give authorization to Mayor Evans to sign the proposal. Second by Dick Bradshaw. Motion carried. (3-0)

With no further discussion, Mayor Evans closed the Public Hearing at 9:26 A.M.

Karyl Traeger noted the flowers will be coming in soon and they will be assembling the arrangements for downtown baskets.

Dick Bradshaw made the motion to close the BOW meeting at 9:27 A.M. Second by Karyl Traeger. Motion carried. (3-0)
