Mayor Werling presented a quote from Butler, Fairman & Seufert for Phase III of ADA Compliance reviews on City-owned properties. Included in the quote were George Obear Park, Morning Heights and Robinson-Baum Cemeteries, the Delphi Airport, and the Bison Plaza Parking Lot. Mayor Werling indicated that the Bison Parking lot was being excluded since the price was not reflective of the size of the project; BF&S will be asked to provide a scope of work for that segment, and, if warranted, the parking area could be added back. That reduced the quote from \$16,600 to \$14,600. Breanna Maxwell moved to approve the quote. Second by Spencer Kingery. Motion carried. (3-0)

Bev Seese announced that the Canal Association would celebrate its 50th anniversary in 2024 and asked if the Canal Association might use the light poles to display banners. Mayor Werling asked if the association had a design in mind and how many poles along which streets would be requested. Seese indicated that design had not been developed yet. The Canal Association wondered if the city would pay for the banners. The Mayor indicated that that was not likely and suggested that the Canal Association seek grants to cover the expenses. Superintendent Lyons could be contacted to get the dimensions of the banners. Seese was invited to return to make a request for the poles once more specifics were determined.
